 - International flows included £37bn passive mandate with the Japan Government Pension Investment Fund, which provides a long term foundation for future growth in Japan and the broader region
 - Our European (ex. UK) business performed well, with net flows of £11.6bn, reflecting the continued focus we have placed on the region
- AUM up 18% to £1.2tn, with continued diversification across channels, regions, and product lines:
 - International AUM of £370bn
 - A market leader in UK DC with £94bn of AUM, with 3.5m
 Workplace members. Strong net flows of £7.3bn
 - Retail ranked 2nd in both gross and net UK retail sales² in 2019 with high demand for multi-asset and index products, despite challenging market conditions
- **Cost : income ratio of 54%** reflects our **continued investment** in areas of the business experiencing strong growth and where increased automation and simplification will generate operational leverage

LGIM: An on-going commitment to profitable growth and investment

LGIM Re-based Operating Profit (£m)

- Going forward, LGIM-related project expenditure currently reflected in Group Investment projects, will be allocated to the LGIM result:
 - In 2019, this was equivalent to £29m of expenses. This would have increased LGIM's cost : income ratio from 54% to 56%
 - In 2020, we expect this to be c.£20m of expenses
- Allows increased transparency and accountability of spend for management, and aligns with general practice in the rest of the Group
- No impact on overall Group results

- LGC operating profit up 13% to £363m, driven by our diversified and growing Direct Investments portfolio
- Direct Investments assets up 22% to £2.9bn:
 - Homes up 28% to £1,483m. CALA revenues up 6% to £1bn, Affordable Housing business profitable in first year of operation
 - Future Cities up 18% to £930m. Development partnership with Oxford University, with funding provision of up to £4bn from shareholder, annuity and LGIM-managed funds for the development of university accommodation, and science and innovation districts in and around Oxford
 - SME Finance up 12% to £464m. Pemberton¹ has accelerated capital deployment across all funds: €3bn invested in 2019
- Profit before tax of £454m, driven by strong equity markets in the Traded portfolio
- Cash and Treasury assets movement reflects further investment in Direct Investments and equities, including the LGIM Future World fund range, contributing to our commitment to reduce the carbon emission intensity of the Group's assets
