

Care and ageing

“

It's time to stop thinking solely about how to extend life, and think harder about how to

improve
the
quality
of life we
already
have.”

Paying out pensions

- We protect pensioners' income by taking on pension scheme risks and paying out pensions on behalf of the schemes.
- We enable pension schemes to exit the Pension Protection Fund, providing security to pensioners such as the £100 million Countrywide Farmers Retirement Benefits Scheme.

We transform individuals' pension savings so they can live a colourful retirement.

Tackling the economic and social challenges of us all living longer helps drive our business forward and support people across the UK in living happier, healthier lives in later life.

Our £20 million sponsorship of the Advanced Care Research Centre at Edinburgh University will deliver research on improving care in later life and revolutionising how it is delivered.

Relevant retirement living

We are redesigning how we care for people in later life:

- £5 million donation to Newcastle City Council to fund independent living facilities for older residents and to fund a 20/25-bed 'new model' residential care home which will incorporate key lessons learned from the pandemic.
- 270 homes in Kingswood, Surrey, re-purposing our former Head Office and preserving the long-term future of the Grade II* listed building.
- Guild Living and Inspired Villages, with over 1,000 homes in six villages with a pipeline of 18 further sites in development.

Our later living developments aim to transform what the elderly can expect from later life by providing vibrant communities specifically built to activate retirement living.

I am thrilled to announce this partnership with Legal & General, which builds on our previous city-wide agreement.”
